Dear Mr & Mrs Israel *Suzie*

On behalf of the Chancellor, Mr John Phillips AO and the UWS Foundation, I would like to thank you for attending the Inaugural Fundraising Dinner on Friday 9 May at NSW Parliament House.

With your attendance and support the dinner was a great success and a most enjoyable evening. I know that you would have been inspired by the words of Dr Fiona Wood AM and scholarship recipient Sam Hall, who were both very passionate about the future of medicine and reminded us all about the importance of supporting our young students through scholarship.

Through the generosity of many individuals and organisations, the UWS Foundation raised considerable funds for the School of Medicine scholarship endowment fund. This fund will help provide opportunities for bright and gifted students, regardless of their social or economic background. We have, however a long way to go to reach our target of providing scholarships for many of our students in all disciplines offered at UWS.

If you would like to find out more about the 'Fifty in Five' Campaign and the opportunities that exist to partner with UWS please contact the Office of Development on phone (02) 9685 9511 or email uwsfoundation@uws.edu.au

We are very grateful for the generosity and support received from all of our guests and look forward to awarding a number of new scholarships in 2009 as a result of this dinner. Thank you once again.

Yours sincerely

Janice Thomas
